YWCA Toronto Board Information Session

Thursday, January 29, 2026 – 6-7 pm (EST)

YWCA Toronto is currently recruiting women and gender diverse people to join our Board of Directors and/or Board Committees for the coming year (2026-2027).

The Board of Directors of YWCA Toronto is composed of 18 individuals who reflect the diversity of the community we serve. We seek a mix of people who can bring a broad range of skills, experience and perspectives to our discussions and governance. In keeping with direction from the World YWCA and YWCA Canada, YWCA Toronto strives to ensure 25% representation from individuals 30 years old and younger on the Board.

This year, board recruitment is particularly looking for candidates with a background in the social service sector, fundraising, governance, and or are from Indigenous communities. We strongly encourage candidates who are 30 years old and younger to apply.

Interested applicants are invited to attend an information session via Zoom on Thursday, January 29, from 6-7 p.m. (EST). Members of the Nominating Committee and some current Board members and Committee Chairs will be there to explain responsibilities and answer questions.
